## Growing Together through the Mystery of Marriage (Ephesians 5:21-33)

#### Introduction:

Be filled with the Spirit... submitting to one another out of reverence for Christ... (5:18, 21)

Paul takes the application of the gospel and the filling of the Spirit a stage further, into the three most basic relationships the Christian has in society: (i) marriage and home life; (ii) parents, children and family life; (iii) daily occupation and working life. He begins with marriage, the health of which is essential to the Church, the Family and to society in general. (adapted from Sinclair B. Ferguson)

<sup>33</sup> However, each one of you also must love his wife as he loves himself,

and the wife must respect her husband.
