Discussion Questions:

- Have you ever felt ill-equipped for something you had to do? How did you feel? How did you experience God's hand of help in this situation
- What does God's Love mean to you and how do you keep it alive and real?
- Why is reconciliation with God so important for you? Are there areas of God's creation that you have divided into sacred and secular? How can you better see these things as God sees them?
- In what ways does the Holy Spirit equip you to be an Ambassador of Christ? Think of some examples for yourself and of other Ambassadors you have observed?
- Is there a person in your life who you have fallen out with or do not talk to because of something that happened in the past? What would be your first step to reconciliation?
